

GEOFFREY DEAN JENSEN

UX. UI. Digital. Visual. Analog.

geoffreydean.net

ABOUT ME

I'm a hyper-aware UX/UI Designer with a passion for communicating ideas visually and beautifully. As I am interested in expanding the relationship between the tangible and digital worlds, I am looking forward to deepening my level of understanding in the fields of user experience design.

Scrum	

TRIVIA

WhatsYourFavoriteDinosaur.com is a collection of the famous and/or notable people I've met and the dinosaurs they like best.

Some Favorites:

Grateful Dead, The Blues Brothers, surfing, playing music, baking bread, drawing, collecting, music history, disc golf.

Oh, and I'm pretty good at trivia, too :)
